

ENROLMENT FORM/CONTRACT

2015

The relationship between a child's parents and a setting is crucial to the child's well-being. The welfare, safety and protection of your child are at the heart of everything we do. To enable us to make the best provision for your child we are officially required to ask for information to be provided to us. Please understand that there are sound reasons why we are required to ask these questions. We want to help your child to keep safe, it is not just that we are being curious. Thank you for your co-operation.
